What Is A Year?

A year. . .

It is a long, exciting novel that you are anxious to start, and eager to finish.
It is memories of good times and bad.
It is a kaleidoscope of colored pieces, forming one pattern. . .one small part of your life.
It is fun and frolic, work and worries.
It is an adventure that can never be repeated, no matter how hard you try.
It is unforgettable moments, too soon forgotten.
It is a lasting friendship, with time abandoned for a better one in the year to come.

A year is an outline of people, events, and places that touched your life. . .a miniscule profile of what lies ahead. . .and say, what does lie ahead?

Mrs. Hammon "dresses up" for the Y-Teen coffee house.

We Dedicate . . .

The 1971 REFLECTOR is dedicated to an outstanding teacher and warm friend, Mr. William Haumesser.

For 15 years, Mr. Haumesser has made his classroom not only a place of learning, but also a center of fun. He possesses all the attributes that draw students to him for help on mathematical problems and personal ones, too. It is for this reason we are proud to dedicate the REFLECTOR to him.

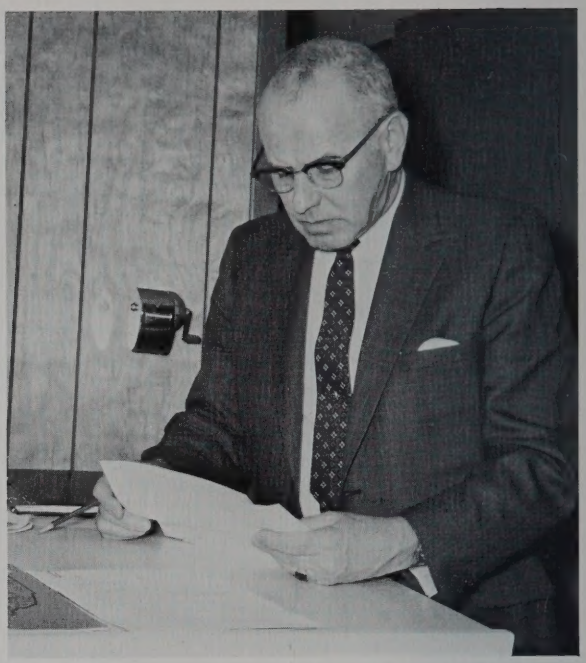
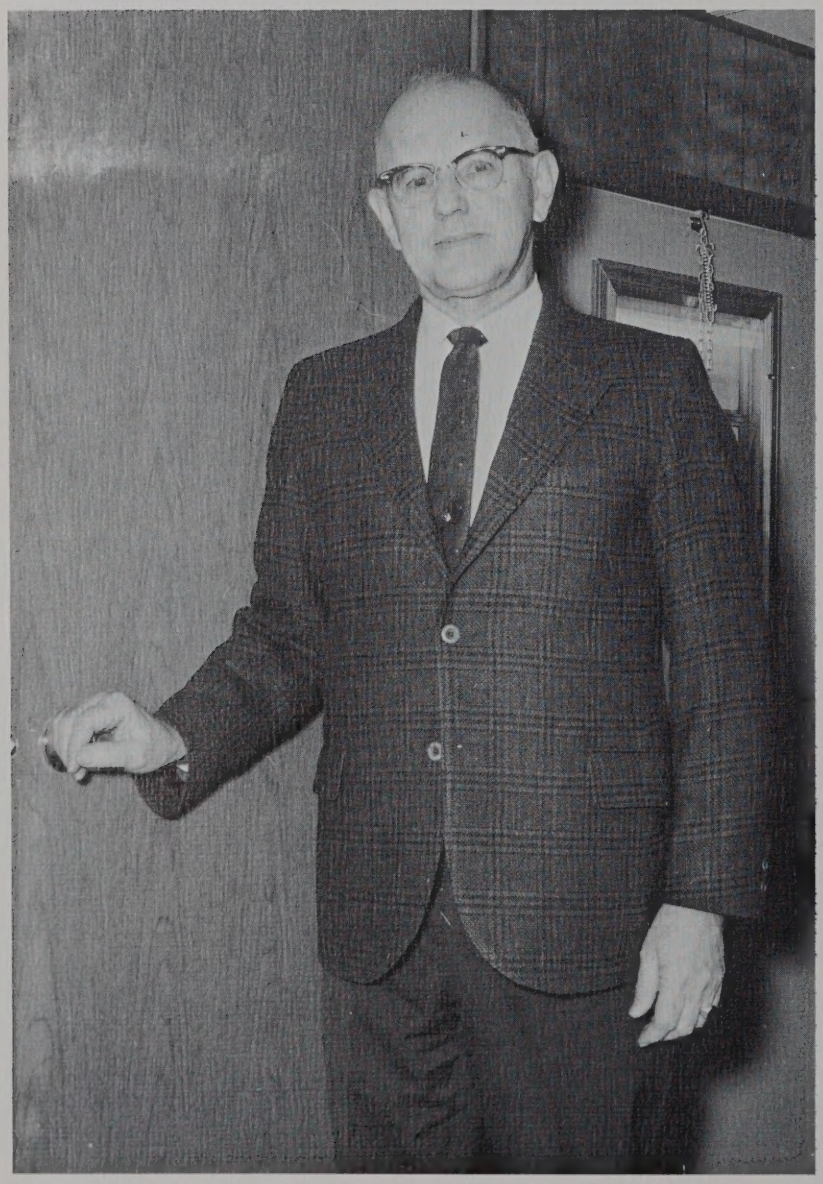
ADMINISTRATION

Mr. Naragon Plans New School

Superintendent of the Buckeye Local School District is Mr. Lloyd E. Naragon. Mr. Naragon works long hours managing and supervising the school district operations. Through his efforts and those of the school board, a new high school is on the drawing board and is to be completed by 1974. The present high school is to be used as a junior high school.

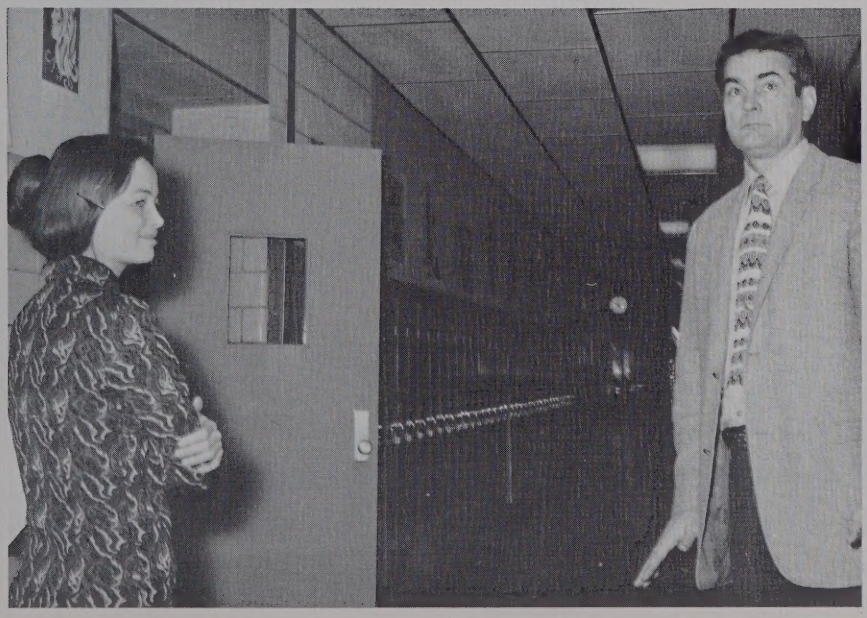


Mr. Naragon studies a financial report for the next school board meeting.



Mr. Bogard Sets The Pace

Always concerned about the student body and their problems is our head principal, Mr. Millard P. Bogard. Mr. Bogard strives to help all students better their education. He is always ready to give students assistance with their problems as well as fulfilling his administrative duties.



Mr. Bogard congratulates Mr. Rousch on his fine work for the entire student body.

Miss Schussler discusses the proposed English program with Mr. Bogard.

Mr. Ameredes Aids Students

Assisting our principal is Mr. William Ameredes. Mr. Ameredes is a contributing factor towards efficiency in the operation of the school. He is in charge of taking attendance and is advisor to the Student Council. Mr. Ameredes was instrumental in obtaining Buckeye's first foreign exchange student. He is always happy to render his assistance to the student body.

Counselor Offers Sound Advice

Every student can find a friend in Buckeye's new guidance counselor, Mr. Charles Karikas. He aids students with information on colleges and job opportunities, and he also administers various scholastic tests to prospective college students. Students feel free to seek Mr. Karikas' advice on both social and school problems.

Mr. Karikas offers senior Colleen Gift some advice on her future plans after high school.

Secretaries And Office Help Prove Indispensable

Secretaries and office help provide assistance for students and teachers. Mrs. Dorothy Fletcher and Mrs. Helen Schaefer are both hard-working secretaries, who keep things running smoothly. Among their many duties exist the never-ending jobs of filing records, bookkeeping, and typing reports.

Office girls give up their studyhall to assist the secretaries. The girls take attendance, write admit slips, and answer the telephone.

The Board of Education approved the dress code revised by a committee of students and parents. The Board consented to girls wearing pantsuits and dressy slacks and restrictions were relaxed on boys' hair length.

The Board is also looking to the future as it investigates plans for a new high school to accommodate our growing enrollment.

Busy keeping records and taking notes for the Board is Mrs. Sarah Bullard. Mrs. Bullard attends all meetings and acts as both secretary and treasurer. Mrs. LaVerne Brown is replacing Mrs. Bullard, who is moving from the district.

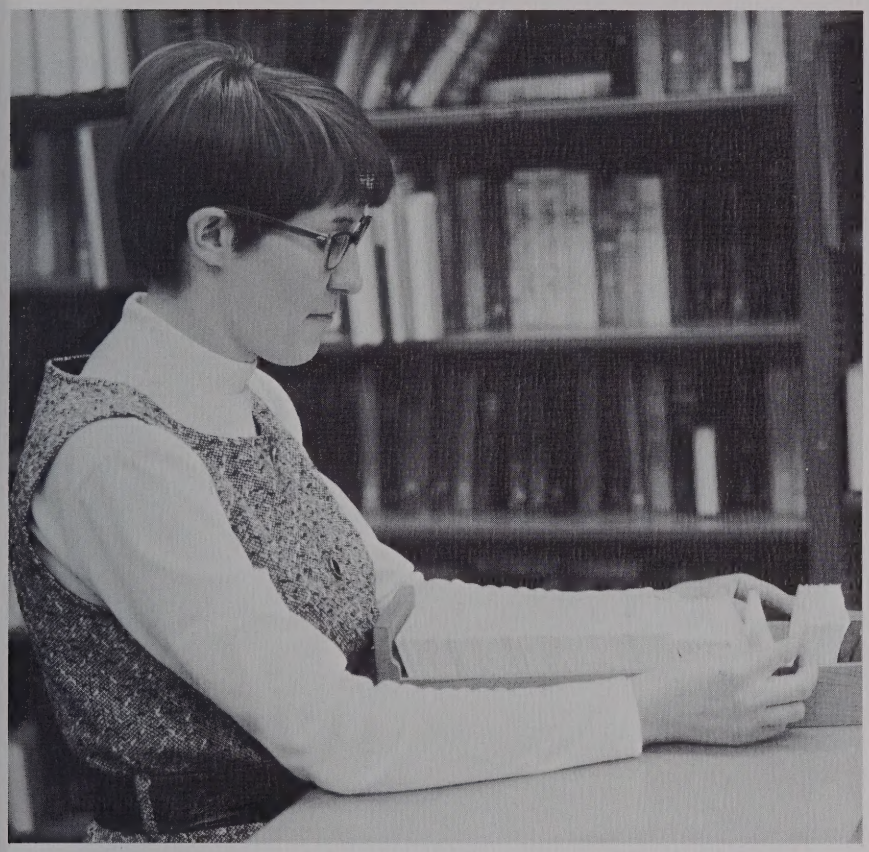
New Program Initiated



Filing title cards, classifying books, and organizing research materials are only a few of the jobs performed by Miss Cain.

With hard work and a smile, Miss Cain provides both students and faculty with an efficient source of books and reference materials. Students acting as assistant librarians offer their services in filing and checking out books.

A new program organized at Buckeye is the Work Study Program. Students, working toward a half a day of academics and on the job training, are instructed in mathematics, science, and English by Mrs. Wolf. Participants visit the county vocational center once a week. Outside activities sponsored by Work Study are a bowling team and field trips.

A new face at Buckeye is that of Mrs. Karen Wolf, who instructs students in the Work Study Program.

V.I.C.A. Develops Skills

The Vocational Industrial Clubs of America is a national organization of youth--boys and girls--preparing for careers in industry. A student has the opportunity to associate with other students and adults with specific interests in the field that he is planning to make a career. Here he learns business procedures, develops group planning abilities, and practices the democratic process. Vocational Industrial Clubs build leadership, citizenship, and character.

The Buckeye Varsity Football Team compiled an impressive record of seven wins and two losses. They were only a step away from being the Inland Conference Champions. Leading the team with the ability to win were the fifteen seniors, with all players giving 100% effort.

Guiding the boys through countless practices were the coaches: Mr. Lewis, Mr. Clark, Mr. Schar, and Mr. Burnett. Head coach, Mike Lewis, was selected Coach of the Year in Medina County.

Nevertheless the class of '73 really got into the swing of things this year and established their place at Buckeye.

Leading the sophomore class were the officers: Bill Ross, President; Peggy Miller, Secretary; Donna Muntz, Treasurer; Tom Mohler, Vice-President.

Crossing The Bar

Sunset and evening star,
And one clear call for me!
And may there be no moaning
of the bar,
When I put out to sea,

But such a tide as moving seems
asleep
Foo full for sound and foam,
When that which drew from out the
boundless deep
Turns again home.

Twilight and evening bell,
And after that the dark!
And may there be no sadness
of farewell,
When I embark;

For though from out our bourne
of Time and Place
The flood may bear me far
I hope to see my Pilot face to face
When I have crossed the bar.

Alfred Tennyson

Man is challenged today to excel in almost every endeavor . . . those who do succeed often trace the beginnings of their performance pattern to accomplishment in high school and to those who offered stimulation and inspiration in these formative years. Josten's has long been a partner to these educational leaders in providing a means of motivation and the rewards of recognition, and Josten's products have become tangible symbols honoring perseverance and achievement.

The class ring is representative of the fine traditions of school spirit and unity ☐ The yearbook provides a lasting memento of the year's accomplishments ☐ The diploma is a lifelong record of scholastic success ☐ The graduation announcement heralds this achievement ☐ Awards recognize academic and athletic leadership.

Serving you locally:

Another year has come to an end, and with it goes many memories. But the year will not be forgotten, for it will survive in the accomplishments and honors that were achieved during its course.

The year held many outstanding events. Seniors Dale Schaefer, Roosevelt Price, and Dan Cummings broke school track records. Junior Martin Marcellus tied the school record in High hurdles. Roosevelt Price qualified for state competition in the 220. The baseball team copped firsts in the Medina County and Inland Conference Tournaments, and they anticipated honors in regional play.

We would like to thank Brian Neff and Tim Winterfeld for providing photographs and filling in for our staff photographers in emergencies; Mary McNeil, for her exceptional football photographs; and Bob Prichard, for his photographic coverage of the Powderpuff Football game. A special thanks to David Meyers for his assistance in Room 115, whether it was odd jobs or moral support.

Most of all, we would like to express our appreciation to our hard-working staff, without whose efforts this book never would have been published, and also a very special thank you to our advisor, Mrs. Jones, who withstood many headaches while meeting deadlines and coping with our antics.

To you we present the 1971 REFLECTOR.
